9th INTERNATIONAL SCIENTIFIC CONFERENCE ON KINESIOLOGY

Opatija, Croatia
May 13 -17, 2020

FIRST ANNOUNCEMENT

Organiser

Under the patronage of

WELCOME TO OPATIJA, CROATIA, TO THE 9th CONFERENCE ON KINESIOLOGY

Dear Friends and Colleagues,

On behalf of the host, the Faculty of Kinesiology, University of Zagreb, Croatia, and the Conference Organizing Committee, with great pleasure we announce the upcoming 9th International Scientific Conference on Kinesiology to be held in Opatija, Croatia, on 13-17 May, 2020, under the auspices of the Croatian Academy of Sciences and Arts.

Workshops, exhibitions and a joint meeting of the International Editorial and Advisory Board of the Journal Kinesiology are planned in addition to the conference programme. The social program and less formal events will not be forgotten either.

Looking forward to welcoming you at the Conference in Opatija, Croatia, in May 2020.

AIM

Broadening of scientific insights into the latest research, theoretical and applicative findings and experiences from the vast field of kinesiology, the science of human movement, sport and exercise. A presentation of the latest information is expected from the basic principles to practical applications, especially reports on new scientific breakthroughs such as the human genome research, application of new technologies in sport and exercise, revised educational concepts and, above all, the urgent need to find more effective ways of health preservation and wellbeing. The aim of the Conference is also to enhance further cooperation between scholars and institutions in various competitive projects in different fields of kinesiology.

PARTICIPANTS

Kinesiologists (or sport scientists) – from academicians, researchers, lecturers to practitioners, like PE teachers, coaches, physicians, physiotherapists and others, as well as postgraduate students and experts from cognate and adjacent scientific fields from all over the world. Policy makers, media representatives and service providers in sport and exercise are welcome as well. The presentation of the latest information is expected in podium and poster presentations. Each author is free to take approach he/she wants within the scope of the announced Conference topics.
