

International Scientific Conference

The role of sport in social life: Women, sport, and social changes

The Ivo Pilar Institute of Social Sciences and the University of Zagreb's Faculty of Kinesiology hereby invite you to an international scientific conference—***The role of sport in social life: Women, sport, and social changes*** to be held in Zagreb on **15 and 16 December 2023**.

Keynote speaker: Dunja Antunovic: *Gender Representations in Sports Media: Problems and Opportunities for Change*. She is an assistant professor of sport sociology at the School of Kinesiology at the University of Minnesota in the United States.

Date and place of the conference: 15 December 2023 (Friday) Ivo Pilar Institute of Social Sciences, Trg Marka Marulića 19, Zagreb, Croatia, and 16 December 2023 (Saturday) University of Zagreb, Faculty of Kinesiology, Horvaćanski zavoj 15, Zagreb, Croatia.

Working languages: Croatian and/or English.

The deadline for registry and the submission of abstracts is 1 October 2023. Abstracts (up to 250 words) in **Croatian and/or English** should be sent by e-mail to: sport.sociology.conference@kif.unizg.hr

All abstracts will be published in the proceedings in on-line format. Authors can participate with a maximum of two papers; they will be notified by e-mail that their abstracts have been accepted by 15 October 2023.
