Poreč, Croatia,
June 24 - 27, 2018

14th International Scientific Conference of Sport Kinetics 2018

"Movement in Human Life and Health"

FIRST ANNOUNCEMENT

Under the scientific patronage of:
International Association of Sport Kinetics (IASK)

Faculty of Kinesiology,
University of Zagreb,
Croatia

Organisers:

Faculty of Sport and
Physical Education,
University of Novi Sad, Serbia

WELCOME

TO POREČ, CROATIA

to the 14th International Scientific Conference of Sport Kinetics 2018

“Movement in Human Life and Health”

Dear Friends and Colleagues,

On behalf of the organizers, the Faculty of Kinesiology, University of Zagreb, Croatia, and the Faculty of Sport and Physical Education, University of Novi Sad, Serbia, we announce with great pleasure the upcoming 14th International Scientific Conference of Sport Kinetics 2018 to be held in **Poreč (Zelena Laguna), Croatia, June 24 – 27, 2018.**

The Conference shall take place in Poreč. Poreč is a town located in the heart of the western coast of Istria (Adriatic coast). A town of culture, tourism, sport and leisure, where the aromas and colours of past times form a mosaic of unforgettable experiences.

The conference programme shall include oral and poster presentations and lectures. Invited lectures and other presentations shall be given by internationally recognized speakers and researchers. The Organising Committee will also do its best to provide the rich social programme including Gala dinner, competition in Polish game RINGO, excursion, and other less formal activities at Adriatic coast.

AIM & TOPICS

The aim of this Conference is to provide the latest scientific and professional insights, findings and experiences which are connected with Movement in Human Life and Health.

Topics of the Conference cover wide range:

- training science,
- physiology,
- psychology,
- medicine,
- biomechanics,
- pedagogy,
- history,
- sociology,
- and others.

These topics should be connected with main topic of the Conference “Movement in Human Life and Health”.

PARTICIPANTS:

academicians, researchers, lecturers to practitioners, like athletes, coaches, physicians, PE teachers, medical doctors, physiotherapists, and others, as well as postgraduate students and experts from cognate and adjacent scientific fields from all over the world who are interested and involved in movement in human life, movement and health. Oral and poster presentations of the latest information are expected. Each author is free to take approach he/she wants.

SPECIAL AWARDS:

1. 3 oral and poster presentations of young scientists (under 35 years old) will be awarded with the IASK President Cup and N.A. Bernstein Medals
2. the first 3 places in the Professors' competition in the Polish game of RINGO will be awarded by the President of International Ringo Federation
